Have you been previously married, or in a serious relationship? If yes, please give dates and descriptions, with key events (marriages, divorces, ceremonies, children, death, etc.)

Probing Beyond the Problem

What originally attracted you to your partner?

© Cal J Domingue, MFT 2008

When you remember your courtship, wedding or honeymoon, what stands out?

How has your relationship changed over time?

© Cal J Domingue, MFT 2008

What have you had to give up or give in to for this relationship?

What's it like to be married to you?

© Cal J Domingue, MFT 2008

What is the best part of your relationship?

How has your sexual relationship changed over time?

What are your goals for this evaluation?
